2,356 SF 3 Bedroom/3.5 Bathroom/Balcony
Lots 15, 20, 23, 25, 26

This gracious townhome features three levels of luxury living. At the entry level, you'll find a two car attached garage, coat closet, bedroom and en suite bathroom. The second level offers an amazing chef's kitchen with ample storage for an impressive appliance collection, plus enough countertop space for a week's worth of meal prep and a large walk-in laundry room. Unwind after work on your covered balcony just off the living room. Upstairs, find two more bedrooms, including

the master and guest bedroom with en suite bath. Your master ceiling is vaulted for an expansive feel and the bedroom is outfitted with double walk-in closets. The master bathroom features a linen closet, double vanities and large shower with a built-in bench for relaxing after a long day.
